FEBRUARY 1976

President: John Quinn 541-8696
Vice President: Ed Bennett 299-3829

Treasurer: Gene Pilch 541-3191
Secretary: Judy Quinn

Our February meeting will be held on February 4, 1976 at 8:00 p.m. at the usual place: the Wheeling Community Center, 251 No. Wolf Road, north of Dundee Road, at the rear of the park.

The meeting will be very short because of the AUCTION. All items to be sold will be checked in between 7:30 and 8:00 and then will be on display for everyone to see. Please be early. There will be a change in the fee because there may be several expensive bicycles there. The club will keep 10% of everything sold or \$20 whichever is less and a minimum selling price will be allowed. Also, small items may be donated if you wish.

The January 18 ride to Daniel Wright Woods turned out to be a very cold day.

The rides committee had their first meeting and it appears as if we will have many good rides next year. There will be more details later.

Because of the great interest generated at the January meeting, the club is going to try cross country skiing on February 8. The total cost is \$7 which includes all equipment (skis, shoes, bindings, and poles), a lesson, limited refreshments, and transportation of the equipment to and from Deer Grove. Stop at Bikes Plus before Sunday to reserve the right size skis and shoes with a \$5.00 deposit per person or couple. Call (398-1650) if you can't stop and mail the deposit. If there is no snow, bring your BICYCLES!
