#### CONSTITUTION

We want to thank everyone for their support. Thanks to your backing, our club now has a new Constitution and By-Laws. The constitution and by-laws were accepted by the following vote:

CONSTITUTION: 48 yes - 2 no

BY-LAWS: 48 yes - 2 no

Following the format of this new constitution 2 new positions were filled. We want to thank Bill Turner who accepted the position of Safety Officer and Don Stansfield who accepted the position of Membership Chairman.

Following the adoption of the new constitution, an Executive Committee was held and the results of that meeting will be announced at the April meeting.

#### CLUB AUCTION

We want to thank everyone who participated and made this auction a success. A great night of fun was had by all. The money realized for the club treasury was \$19.01 (\$14.26 Commission on sales and \$4.75 for sale of club property).

#### ST. PATRICK'S DAY RIDE

We were blessed with the "luck of the Irish" for our St. Patrick's Day Ride, the weather was beautiful. We had 74 enthusiastic riders show up for 26 miles of absolutely magnificent country. Our hats are off to Jack Fulper for one of the best rides ever. Thanks Jack!

#### H E L P ! ! ! ! !

We have decided to award a special club patch for our Harmon 100/50. We need your ideas for a design for this patch. Please all you deep down, secret artists how about some ideas. The only requirement will be that the patch must include the wording:

Wheeling WheelMEN & Harmon 100 (or Harmon 50)

Two patches will be designed one for the 100 and one for the 50, the patches will probably be of contrasting colors. We need these designs no later than May 1. The final design must be at the embroiderers no later than June 1 to be completed by our ride date.

Also, how would you like to see this Newsletter and club stationary dressed up with a club letterhead. If so, let's get back to the drawing board and fire off some more ideas.

Please send any suggestions on the above to Fred Woodruff (see above)

SAFETY - FOOD FOR THOUGHT ---- Do you know your legal responsibilities as an adult on a bicycle? Come to our April meeting and find out.
