Vice Pres: Jack Fulper	945-5103	Secretary: Joan Woodruff	
Safety Officer: Bill Turner	255-1710	Membership Chairman: Don Stansfield	885-4270

WE HAVE A NEW ADDRESS-----P.O. Box 581-D, Wheeling, Illinois 60090

The next meeting of the Wheeling Wheelmen will be held May 4, at 8:00 PM at the Wheeling Community Center. This date will also start our Wednesday evening rides so why not join us with your bike at 6:30 PM at the Community Center and we'll have a good ride before the meeting.

This months meeting will feature Carl Spencer who will speak and show pictures of his cross country (new York to San Diego) trip in 1975. This trip commemorated the 200th anniversary of the Marine Corps. Let's all make Carl feel welcome.

FUTURE SPECIAL EVENT

Robin Mester has put in much effort and imagination, not to mention time and has laid the groundwork for our camping weekend in Fall. The weekend will be scheduled for either 9/24-25 or possibly 10/1-2/77, come to the May meeting and we will discuss which date to finalize, its all up to you. This weekend will be in South Kettle Moraine, Wisconsin. Robin will give us more details at the meeting...

We have had two club rides so far in April. The turnout of members has been fantastic! Due to a combination of people, weather and routes a great time has been had by all.

SAFETY THOUGHT

How much is your head worth? Do you think it is time that we all start giving this some serious thought. Bikes Plus in Arlington is now an authorized distributor for Bell Helmets.
