The next meeting of the Wheeling Wheelmen will be held August 3, at 8:00 PM at the Wheeling Comm. Center. Prior to the meeting we will have an evening ride originating at the Community Center at 6:30 PM. The more the merrier!

This months meeting will feature Ruby Curtis as speaker. She will fill us in on the hows and and secrets of bicycle touring. She is a very interesting and facinating lady, lets have a really large and enthusiastic turn out to make her feel welcome.

At this months meeting we will discuss and make plans for our Wheeling Harmon Hundred. How time flies there is only a little over 5 weeks until the big event. To make this years ride a big success we need helpers, please won't you sign up to volunteer as as sag driver, check in attendant or sweep rider. P L E A S E ----WE DO NEED ALL THE HELP WE CAN GET.

This month, although a scorcher, has had a great response by members and guests for bike rides. We had a just terrific turn out for both the Chop Suey Ride and Libertyville rides, and a great time has been had by all. We are very thankful that this year we have been blessed with both good weather and a safe riding season. We have had a few breakdowns of bikes but with helpful riding companions, how can you go wrong.
