OCTOBER MEETING: Nominations Report and Flicks 

Our October meeting will open with nomination news by our hard-working and very successful nominating committee. The committee will accept additional nominations from the floor at that time, also. Ballots will be mailed to all upright members soon after the meeting. Horizontal members may have to wait a day or two.

Our program for the evening will be in two parts. All of you riding foto fanatics bring your slides of Wheeling Wheelmen rides and festivities. We will have a projector available. And to cap the evening, we will dream a little as we watch "The Wandering Wheels in Israel."

Place: Wheeling Community Center, 131 N. Wolf Road, Wheeling. Date: Wednesday, October 4, 1978, 8:00 p.m.

HARMON HUNDRED: Plenty of Sunshine! 

I believe the weather for the 1978 HARMON HUNDRED was an all-time high in the history of the event. Water was the most wanted commodity of the day. Even with the heat, a very high percentage of the 236 participants completed the ride. Here are the statistics:

Half-Hundred: 104 completed out of 114 participants.

Harmon Hundred: 113 completed out of 122 participants.

A BIG THANKS to all the volunteers who graciously gave their day as hosts for our guests. PLEASE NOTE: Every worker for this event volunteered; no one had to be asked to help. Not many clubs can make that boast. You're the greatest. Special thanks go to Rich Figge, Al Petty, Gene Pilch and Fred Woodruff for the excellent arrow painting, to Darrow Glockner for donating all the cookies for the event, and to Judy Stansfield for engineering all the food and goodies for the day.
