Renewal form enclosed with this issue - sign up for another year of camaraderie and beautiful bicycling!

Mike and Laura

Mike and Laura Enwright have found an apartment at 3243 Clairemont Dr. Apt. #2, San Diego CA. 92117 and Laura is an administrative secretary at Cubic Corporation which is only six miles from home.

Their apartment is in a large complex with Olympic-size swimming pool, a jacuzzi, a barbeque area, an exercise room (with 2 stationary bikes) and a recreation hall where a free breakfast is served every Sunday morning and a free dinner one Saturday a month! The complex is on a hill overlooking Mission Bay, so they always have a nice ocean breeze.

Mike bicycles every day exploring new areas and building strength on the many San Diego hills. Mike and Laura rode one Sunday with Judy Klem on a San Diego Wheelmen ride.

They spent Thanksgiving in Los Angeles with Laura's mom and brother Alan Zoller. All send best wishes for a great 1985!

Romance

Two engagements were announced at our Christmas party! Al Petty and Lynn Masters will be married soon and Jenny Bruns and Jim Grant have set an October wedding date. Best wishes to both couples!

The Weatherman gave us a perfect bicycling day for the Christmas party: temperatures in the 50's, bright and sunny. There were novel grab bag gifts, delicious pot luck dishes, lots of socializing and a swim in the indoor pool. Thank you Jim and Myra Baum for your gracious hospitality.

Condolences

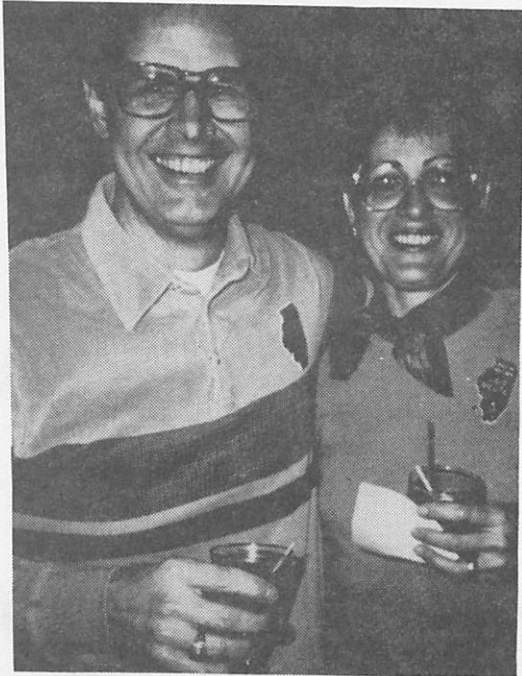

Our sympathy is extended to Ruby Curtis on the death of her husband, Castle, from a heart attack on December 22.
