1995 Harmon Update

Any suggestions are welcome for our 25th gala event.

Some happenings-while on the Hilly Hundred in Indiana we counted eight wheelmen. One of whom was TomBuettgen, an old friend and great biker. Tom is also into music and offered to get part of his band together to play at the 1995 Harmon. This was our 7th Hilly and the best! The weather was great and the hills seemed easier for us to conquer. Ella agreed. I'm sure it was due to our many miles of hills with the club.

Help Wanted-no experience needed. Will train. Two people to deliver the food to the Harmon Hundred Food Stops. Good pay=self-satisfaction. Good benefits=all you can eat. Your chance to give back to the best bike club with the most rides and greatest bikers! To apply for this very important position call Ron or Judy at 708-362-5997.

P.S. The first ten people to volunteer will receive a free supply of Matts cookies for a week. Hurry, this offer won't last long!
