

MONTHLY MEANDERS

PREZ SEZ

Well another Harmon is under the bridge and I want to give everyone a big THANK YOU! Thankfully the weather cooperated and we had a big turnout. As always the feedback in regards to the Volunteers (i.e. YOU!) was great. Words like “friendly”, “hard working”, were just a few of the accolades I received. Unfortunately, not everything was all positive. The location of this year’s Harmon was not very popular, due mainly to the road traffic. Apparently Illinois drivers are not as patient as our Wisconsin brethren (Duh?!?). So, during the off season planning, please rest assured that we will make every effort to revert back to quiet and hopefully quaint, country roads. BTW, if anyone wants to help with the 2010 Harmon planning, please let me know. We’d certainly welcome more help on the front end of our Invitational preparations (the part no one ever sees). But again, to all those

hard working volunteers, you know who you are, THANKS. Without your help this event wouldn’t have gone as smoothly as it did. In addition to thanking all of the hard working Harmon volunteers, I’d like to give a "Special Wheelmen Thank You" to Mary Kay. For all of her hard work and coordination of the Harmon Hundred Invitational, the club is very, very grateful. So make sure you say, "THANKS", next time you see her!

Finally, I know you don’t want to think about it, but winter isn’t that far off and when the weather is not conducive to road riding, there are other ways to stay in shape, outdoors of course! Below is a blurb that Paula Matzek, President of the Northwest Nordic Ski Club, asked me to pass on...

What will YOU do when the snow falls?

Looking for a way to keep fit and have outdoor fun this

winter?

Northwest Nordic Ski Club invites you to come cross-country ski with us!

We have a full schedule of day trips and weekend / week-long trips, as well as social activities such as our monthly dinner meetings.

The club has been in existence for over 30 years, and we welcome skiers of all levels, from beginner to racer.

Check our website at www.nwnordicskiclub.com, or call Don at 847-358-8814.

See you on the trail!

So while the riding season still has a few more months to go (yes, I’m including those hardy November show and go’s), if there is snow, it’s nice to know you have other options than sitting on the couch watching football.

Ride smart, be safe.

OCT 7TH LAKEFRONT TRAIL RIDE...ADDING A TWIST... SEGWAY TOUR FROM GRANT PARK

We are planning an option as part of Killian's regular trail ride on Wed Oct 7th along the lakefront. For those of you interested, we'll ride from Foster Ave Beach as planned on the schedule (see page 4). Then when we get to Grant Park, take the 2.5 hour Segway tour that starts at 10:30am with a trained guide. Read all about it at bikechicago.com/segway/index.html

The tour we are going to do is "The Amazing Lakefront Segway Tour". You can read the locations we'll be seeing.

After the Segway Tour we'd get back on our bikes and head north to Foster Ave Beach. If we get 6 or more people to do the tour, the ticket price is reduced by \$10. If there are people who don't want to bike or if you have a spouse that doesn't bike, meet us in Grant Park to do the Segway Tour. Lots of options here.

Please let me know if you would be interested in the tour so that we can secure spots. Yes, this is all Weather Permitting.

For those of you wondering...the biking counts for club miles. The segway portion counts as willy nilly miles. So come out for something a little different.
