Our July meeting will be on June 30, 1976, at 7:30 p.m. at the usual place; the Wheeling Community Center, 251 No. Wolf Road, North of Dundee Road, at the rear of the park.

The awards will be presented for the 5th annual HEART PUMP Bike-a-thon to the many winners in the various categories. Let's congratulate these riders who worked hard to pedal for dollars for the Heart Fund.

It is time to start planning for the Harmon Hundred/50. Let's make this the biggest and best century yet as we host bicyclists from all over the country. Please come with your ideas.

The weather has been much better this month for our many rides and the turn-outs have been large. July has many fine rides scheduled also; let's see all of you out on some of the rides this month.
