AMISHLAND/LAKES WEEKEND (July 21, 22)

Just a reminder to send in your reservation before they're closed out. More information is being gathered for those who plan to bike to Howe during the previous week. Some will be campers and some motelers. Contact Rich Figge (446-2945) for further information.

SAFETY SUGGESTION

Not only is riding a bicycle on the left side of the road illegal - it's downright unsafe. This is especially true as the biker approaches an intersection or driveway, where pedestrians and motorists are not expecting a moving vehicle in that spot and probably won't be watching it attentively. Of course, this doesn't apply to Don Birt (when he returns to England).
